

Media / Video

Job Description

The Media /Video Crew works hand-in-hand with the band in preparing for worship. They are responsible for running sound during the entire Sunday morning gathering (worship and preaching). The role they play is vital for the communication of truth and removing distractions during worship by preparing/tweaking the audio to make it sound as professional as possible.

Arrival Time: Must arrive at church by 8:00am on Sunday.

Details

Responsible for setting up the sound board, speakers, and audio snake (or whatever else the band needs set up. In Addition, the Sound Crew must strive for excellence in the way they do this job, as it is a vital aspect of what Love & Justice Church does on a weekly basis.

Video Keynote Crew

Job Description

The Keynote Crew works hand-in-hand with the band in preparing for worship. They are responsible for running keynote through the entirety of the worship, as well as provide “announcement slides” before and after the service. The role they play is vital for the worship aspect of the church by providing song lyrics for the congregation, in a non-distracting manner.

Arrival Time: Must arrive at church in time to have everything set up and ready to go (Projector, Macbook, etc) by 8:30am on Sunday.

Details

They are responsible for running through the keynote slides while the band practices each song. The purpose of running through the slides before the service starts is to ensure that the person is aware of what order the slides should be in, is familiar with the song(s), and to check for any errors within the slides
